Cabernet Sauvignon

"Red-purple; a complex medium - to full-bodied wine with strong varietal expression; blackcurrant fruit has fine-grained, savoury tannins running through it; excellent length and balance; a triumph for the vintage."

James Halliday: 94 points

Shiraz

Dense purple-crimson; a massive Shiraz full of black fruits, licorice and dark chocolate; despite its concentration, is neither jammy nor unduly extractive

James Halliday: 94 points
